AgriZorb formula

COMPARED TO ANYTHING ELSE, OURS IS SIMPLY EASY & BEST!

Lightnin' FAST products exceed Environmental, EPA and OSHA standards for cleaning up most spill issues in the agricultural industry & when used properly, AgriZorb improves agricultural conditions by utilizing its time-release ability.

Lightnin' FAST uses GREEN TECHNOLOGY to turn liquids into manageable solids so you can remediate your spilled mess and re-distribute it properly.

Our products are very unique & patent-pending to perform like NO other in the marketplace today! Our manufacturing facility can produce thousands of tons of AgriZorb to meet your specific needs and your requirements NOW.

We can ship any amount of product, anywhere in the U.S. or the WORLD !

PLEASE ALWAYS use our products responsibly and according to the MSDS of spilled liquid. CAUTION: Do Not use product on hydrofluoric acid !
