

Comparison Information Charts

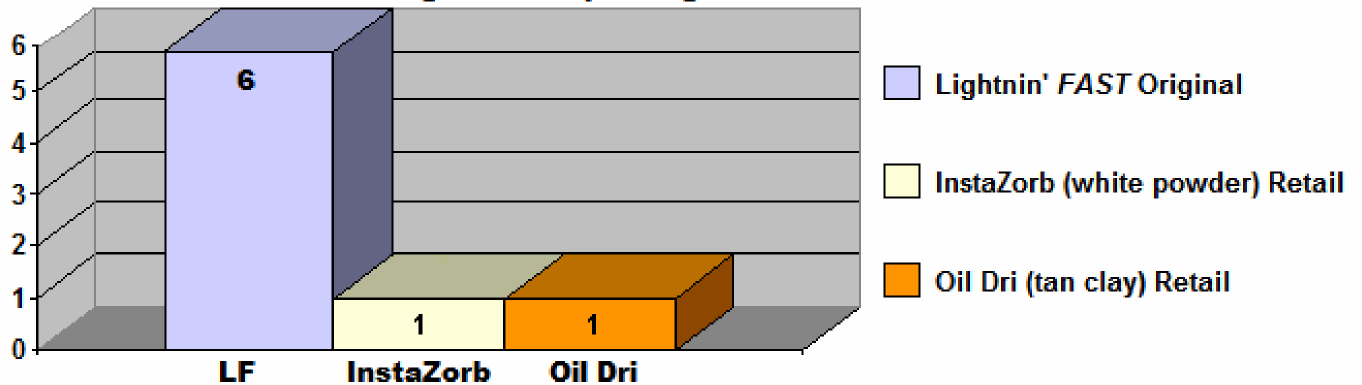

We are the ORIGINAL in GREEN and Enviro-Clean, Re-Usable Spill Control Technology Products. Our products have MORE CLEAN-UP POWER than up to 40lbs. of any competitor. Our EZ-to-Carry Bags are a WINNER too, with much better portability than the heavier sizes the competition offers! You SAVE TIME & MONEY with LF !

DOT and EMS Price of LF compared to retail price of others

Other products DO NOT have the flexibility in their size of packaging, which limits who can actually handle their product!

SAFE Number of Average re-uses per Bag of Product

Our proven product re-usability is a major cost SAVINGS in addition to its environment, human & animal SAFE features!

Actual True Cost to Use LF is ONLY \$2.67 per Bag
