COMPARED TO ANYTHING ELSE, OURS IS SIMPLY EASY & BEST!

Lightnin' FAST products exceed Environmental, EPA and OSHA standards for cleaning up spill issues in the marine industry and when used properly, MarineZorb helps to improve marine and water conditions quick and easy.

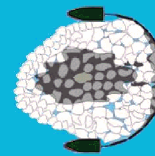

Lightnin' FAST uses GREEN TECHNOLOGY to provide for better skimming or vacuuming of oil and/or fuel spills for remediation off of all water areas.

Our products are very unique & patent-pending and perform like **NO** other in the marketplace today ! **Our manufacturing facility** can produce thousands of tons of MarineZorb to meet your specific needs and/or requirements **NOW**.

PLEASE ALWAYS use our products responsibly and according to the MSDS of spilled liquid. **CAUTION: Do Not use product on hydrofluoric acid !**

We can ship any amount of product anywhere in the U.S. or the WORLD !

1- SET your Boom, 2- DISPENSE product
3- SKIM or VACUUM off of Water Surface

Boats pull flotation booms to corral oil or fuel slick w/ our LF MarineZorb formula, to successfully skim the affected area & remediate spill from water's surface !
